Teamsters Joint Council 32 Endorses Mark Dayton for Governor

Endorsement Commits One of the Largest Labor Unions in Minnesota

MINNEAPOLIS – Teamsters Joint Council 32 today announced its endorsement of former United States Senator Mark Dayton for Governor of Minnesota. “While there were many great candidates to choose from, we feel that Dayton is the right choice for the Teamsters Union and for all Minnesotans,” says Sue Mauren, President of Teamsters Joint Council 32.

With the endorsement comes the backing of one of the largest Labor Unions in the State of Minnesota. “What this means is that we will do everything we can to mobilize our members and put our field activities in place to affect the outcome of the election,” Mauren went on to say.

“I am deeply honored by the endorsement of the Teamsters Union and its thousands of members throughout Minnesota. This endorsement is one of the most important any candidate can receive, and it is tremendously important to my victory in November,” said Mark Dayton.

Teamsters Joint Council 32 represents more than 62,000 active and retired members from numerous industries. “This endorsement is a commitment to mobilize our membership by visiting worksites, phone banking, putting boots on the street and knuckles on the doors,” said Patrick Radzak, Secretary-Treasurer of Teamsters Joint Council 32.

Teamsters Joint Council 32 was chartered in December 1914 and is affiliated with the International Brotherhood of Teamsters. Joint Council 32 is the umbrella organization for the 14 Teamster Local Unions throughout Minnesota, Iowa, North Dakota and South Dakota.
